# Battle at the blockade

A logging area deep in the interiors of Gua Musang has become a battleground between orang asli who claim the land as their own and loggers who say they have licences to fell trees in the area. The orang asli set up a barricade only to run into a violent confrontation with loggers who tore it down with chainsaws. The barricade is up again – and the standoff continues. > See Pages 2 & 3 for reports by DANIAL ALBAKRI
