# NEW STRAITS TIMES

Celebrating 170 years with the Nation, Inspired by Greatness

NST: 7/11/2016

Pg. 1

## Is this the **TURNING POINT?**

**ACTION** is finally being taken to rein in the hugely controversial and graft-tainted mining of bauxite in Pahang. A three-month suspension of mining – from Jan 15 – and a raft of other measures were announced yesterday to enable the companies, and relevant government agencies, to clean up their act. The people who have been suffering the most can only wait.
