# 1. BACKGROUND

- ❑ 2<sup>nd</sup> of July 2018, post GE14 the Ministry of Natural Resources and Environment (NRE) was restructured to form the Ministry of Water, Land and Natural Resources (KATS).
- ❑ New component that make up KATS is the **water** sector from the Ministry of Energy, Green Technology and Water (KETTHA). Meanwhile the environment function was transferred to the newly established Ministry of Energy, Science, Technology, Environment & Climate Change (MESTECC).
- ❑ New structure comprises of **11** departments, **5** statutory bodies and **2** companies.
- ❑ With its establishment, KATS responsible for **managing water, land and natural resources** to ensure its sustainability for the future generation.
  - ✓ **Water** – covers from the source to the taps (upstream and downstream);
  - ✓ **Land** – all federal land of which the ministry is the guardian; and
  - ✓ **Natural resources** – consist of everything from forests to marine parks.
