Celebrating **170** years with the Nation. Inspired by Greatness

NST. 6/1/2016 Pg. 1

WHO IS RIPPING OFF PAHANG GOVT?

IN the last three months, the state government should have earned RM40 million from bauxite mining. Instead, only a paltry RM8 million went into its coffers. If the numbers are anything to go by, a staggering 80 per cent of the earnings have not been accounted for.
